WAL9995-517

\$449.00
EACH

LISTER STAR

This all-mains, full-width clipper is incredibly light. The advanced triangulated grip utilises Lister's patented "ventilated head technology". Low noise and constant speeds are virtually guaranteed by the permanent magnet motor. Its replaceable filter gives efficient ventilation, and enclosed gearbox ensures longer life. Designed and manufactured in Britain.
LIS258-34171

EQUI-PRENE PRESSURE-EZE GIRTHS

The next step up from the Anti-Gall girths, Pressure-Eze Girths have been designed to reduce pressure on the ascending pectorals helping prevent injury and aid in breathing. By doubling the surface area over this muscle area, the pressure is halved. The elastic also aids in pressure relief, as well as helping with the vital function of breathing by enabling the ribs to expand.

THE CINCH HOOK

the quickest, easiest and safest method of
'Cinching up' ever devised. There is less wear and
tear on the latigo, easier to pull up the latigo strap
and just as easy to get undone. The Cinch Hook
can be used as an alternative to a Bates buckle
for riders who prefer to use Western style girths on
their Stock and Swinging Fender Saddles.
